### **AGREEMENT**

THIS AGREEMENT is made and entered into this of day of day

- 1. RECITALS: This Agreement is predicated upon the following facts:
  - 1.1 <u>Intent of Parties</u>: The parties desire to enter into this Agreement to provide for an exclusive right to collect, process and/or dispose of garbage, rubbish, other refuse materials and recyclables within the City.
    - 1.2 <u>Code Authorization</u>: City is authorized, pursuant to San Marcos Municipal Code Sections 8.68.250 and 8.68.270, to enter into agreements for the removal, transportation, processing and/or disposal of refuse and recyclables within the City with those persons deemed best qualified to perform such service.
- 2. <u>DEFINITIONS</u>: In this Agreement, unless the context requires otherwise:
  - 2.1 <u>Combustible Rubbish</u>: means paper, rags, discarded household bedding, packing materials, cartons, boxes, containers, grass, plants, shrubs, trees, vines and the prunings thereof, shavings, sawdust, chips, lumber scraps or other articles from lumberyards, mills or factories and other articles which will burn upon contact with flames of ordinary temperature. Combustible rubbish shall not include those materials listed under "Construction and Demolition Debris", below.
  - 2.2 <u>Construction and Demolition Debris</u>: means dirts, sweepings, bricks, mortar, plaster and other building and construction materials, whether combustible or noncombustible, resulting from the repair, remodeling, demolition or construction of buildings or other structures.
  - 2.3 <u>Garbage</u>: includes, but is not limited to, every accumulation of animal, vegetable, fruit or other biodegradable materials:

- resulting from the preparation, selling, serving or consumption of edible foodstuffs, including the cans, containers or wrappers wasted along with such materials; or
- 2. resulting from the dealing in, handling, processing, storage or decay of meats, fish, fowl, fruits, vegetables or grains; or
- the excrement, carcasses or residue of animals, fish or fowl;
- 4. other industrial commercial or domestic organic solid wastes.
- 2.4 <u>Householder</u>: means a person owning, renting or otherwise holding or occupying a place used for residential purposes.
- 2.5 <u>Material</u>: means any and all types of recyclables, garbage and debris as defined herein.
- 2.6 <u>Miscellaneous and Bulky Debris</u>: means all garbage, rubbish and other discarded materials not otherwise provided for in the foregoing or following definitions including appliances, furniture, large auto parts, trees, branches, stumps, or amounts of garbage or rubbish collected at each collection in excess of the maximum amounts permitted by Section 6.2 hereof, and other wastes the size, weight, or volume of which precludes or complicates their handling by normal collection methods.
- 2.7 <u>Noncombustible Rubbish</u>: means, among other things ashes, bottles, broken glass, crockery, earthenware, metal cans, metalware, wire products, other articles of discarded metal or stone of less than twenty (20) pounds in weight each, automobile tires, inner tubes, batteries and metal kegs, barrels or casks.

Noncombustible rubbish shall not include those materials listed under "Construction and Demolition Debris", above.

- 2.8 <u>Recyclables</u>: means any material having an economic value in the secondary materials market.
- 2.9 <u>Refuse</u>: means any and all types of rubbish, garbage and other debris as defined herein.

### 3. GENERAL PROVISIONS:

- 3.1 <u>Duration of Agreement</u>: The term of this Agreement shall be five (5) years, commencing upon the date of its execution.
- 3.2 <u>Annual Performance Review</u>: City shall annually conduct a contract year-end review to evaluate the level and quality of Contractor's service in general, and determine compliance, by Contractor, with the specific terms of this Agreement. Said review shall be conducted administratively and the findings thereof shall be transmitted to Contractor in writing.
- 3.3 Options to Extend Agreement: City shall, at its sole discretion, have the option to extend this Agreement, in increments of one (1) year each, beyond the initial term specified in Section 3.1 hereof. Such extension shall be granted only upon the successful conclusion of the year-end review specified in Section 3.1, pursuant to a written finding by City that Contractor has, throughout the preceding year:
  - maintained a satisfactorily high quality/level of service and responsiveness to community needs; and
  - 2. complied in full with the terms of this Agreement.

All such extensions shall be effected as administrative amendments to this Agreement not requiring action by the San Marcos City Council. The parties agree that it is the intent of this Section to afford the possibility of a continuous five (5) year contract term providing greater financial certainty to Contractor in exchange for exemplary performance.

- 3.4 <u>Amendment of Agreement</u>: This Agreement may be amended from time-to-time in the same manner as its approval by resolution of the San Marcos City Council and execution by the parties hereto. The term "Agreement" herein shall include any such amendment properly approved and executed.
- 3.5 <u>Cancellation of Agreement</u>: Should the Contractor fail or refuse to comply with the conditions of this Agreement and the Contractor has been given written notice of non-compliance by the City Manager and the Contractor has further been given Ninety (90) days to correct such deficiencies, the City Council may, at its option and after a hearing, of which said Contractor shall have ten (10) days written notice, terminate the contract and let the contract to another person deemed more capable of carrying out its terms.
- 3.6 <u>Hold Harmless</u>: Contractor agrees to and shall hold City, its officers, agents, employees and representatives harmless from liability for damage or claims for damage for personal injury, including death and claims for property damage which may arise from the direct or indirect operations of Contractor or those of its subcontractors, agents, employees or other persons acting on its behalf which relate to this Agreement. Contractor agrees to and shall defend City and its officers, agents, employees and representatives from actions for damages caused or alleged to have been caused by reason of Property Owner's activities in connection with this Agreement.

Contractor further agrees to indemnify, hold harmless, pay all costs and provide a defense for City in any action by a third party challenging the validity of this Agreement.

3.7 <u>Insurance Coverage</u>: Contractor shall, at its own expense, carry comprehensive general liability insurance in an amount of not less than one million dollars (\$1,000,000) per occurrence and excess liability coverage in an amount not less than five million dollars (\$5,000,000).

Said policies shall, at a minimum, be continued for a period of five (5) years following the termination of this Agreement and any extensions thereof. Contractor shall cause to have the City named as an additional insured by endorsement under said policies, and evidence thereof, approved by the City Manager, shall be placed on file with the City Clerk. Contractor shall further carry Workman's Compensation Insurance in accordance with California State law and shall deposit a copy of such coverage with the City Clerk.

- 3.8 <u>Assignment or Transfer of Rights</u>: No assignment or transfer of any right conferred by this Agreement shall be made in whole or in part by the Contractor without the express written consent of the City. Should any assignment or transfer be authorized by the City, the assignee shall assume the liability and such other obligations of the Contractor as may be related to the service performed.
- 3.9 <u>Effect on Previous Agreements</u>: This Agreement constitutes the entire understanding and agreement of the parties and supersedes all negotiation or previous agreements between the parties with respect to all or any part of the subject matter hereof.

### 4. SOLE AND EXCLUSIVE FRANCHISE:

Contractor shall have the sole and exclusive right and franchise, in accordance with the terms and conditions of this Agreement, to pick up, gather and remove garbage, rubbish, construction/demolition debris and other refuse materials, including recyclables, within the corporate limits of the City as the same now exist or may exist, which is generated by residences and businesses, for the full term of this Agreement. City agrees not to let any contract to, or enter into any contract with any other person, firm, or organization for the performance of the services required to be performed by contractor, except, that in the event Contractor fails, refuses or neglects for any reason, to collect and dispose of garbage, rubbish and miscellaneous debris set out or placed for

collection, as provided herein, at the time and in the manner herein required, the City may collect and dispose of the same or cause the same to be collected and disposed of, and contractor shall be liable for the reasonable expense incurred. This right of the City shall be cumulative, and in addition to any and all other remedies it may have in the event of such failure, refusal or neglect of the Contractor. The exclusive right and franchise referred to herein shall not extend to those activities and/or materials specified in San Marcos Municipal Code Section 12.11 (1) through (6).

### 5. OBLIGATIONS OF CONTRACTOR:

- 5.1 <u>In General</u>: For the consideration herein mentioned, Contractor undertakes and agrees in accordance with the terms and conditions herein contained, to furnish the necessary labor, vehicles and equipment to collect, transport and dispose of all garbage, combustible and non-combustible rubbish, and miscellaneous debris, as herein defined, from within the corporate limits of the City as the same now exist or may exist during the term hereof.
- 5.2 <u>Frequency and Scheduling of Collection</u>: All refuse created, produced or accumulated in or about a residential unit or place of business shall be collected and disposed of by Contractor at least once each week. The City Manager may, at his/her discretion, or upon recommendation of the County Health Officer, require more frequent pick-ups should the nature of a particular business so require. The Contractor shall arrange collection routes so that pick-ups will be made on the same day of each succeeding week, with the following exception: no collection will occur on Thanksgiving, Christmas and New Year's Days, contingent upon advance notice to all those affected, in a manner satisfactory to the City Manager.
- 5.3 <u>Special Pickup Service</u>: In addition to the regularly scheduled monthly service, contractor shall, upon request from a householder provide a special pick-up service to collect and dispose of accumulated rubbish,

other than that covered by the normally scheduled monthly service. Charges for such special service shall be in addition to those levied for regular monthly service.

- 5.4 <u>Refuse Collection Spillage and Cleanup</u>: The Contractor shall exercise all reasonable care and diligence in collecting refuse to prevent spilling, scattering or dropping of refuse, and shall at the time of occurrence clean up any spillage.
- 5.5 <u>Refuse Disposal</u>: The Contractor shall dispose of collected refuse, at Contractor's expense, at a County authorized solid waste facility in a manner satisfactory to the City and in accord with all state and local laws and regulations.
- 5.6 <u>Collection from Public Parks and Government Buildings</u>: The Contractor shall without charge, collect refuse from City controlled public parks, playgrounds and City government buildings from the receptacles in which the same is confined, on a service frequency and day(s) of collection to be determined by the City Manager.
- .5.7 <u>Contractor Participation in Special Clean-Up Activities</u>: The Contractor shall participate with the City in any annual clean-up activity upon request of the City Manager as may be necessary to supplement the City's available manpower and equipment resources, and shall otherwise cooperate with the City Manager in resolving special disposal-related problems.
- 5.8 <u>Compliance With Motor Vehicle Code</u>: The Contractor's trucks and other mobile equipment shall comply with applicable provisions of the California Vehicle Code, all other applicable California codes, and all provisions of Chapter 12 of the San Marcos Municipal Code.
- 5.9 <u>Compliance With Local And California Laws And Regulations</u>: The Contractor shall operate in such a manner as to comply with all applicable

local and state laws and regulations pertaining to the collection, storage, transportation and disposal of refuse. The Contractor shall also comply with all other ordinances and regulations of the City and applicable laws and regulations of the County of San Diego and State of California, and shall obtain and keep in force all required permits and business licenses.

- 5.10 <u>Service Required in Event of Nonpayment</u>: In the event of nonpayment for collection service rendered to any person, the Contractor shall continue to provide such service, subject to reimbursement as provided in Section 12.41 (e) of the San Marcos Municipal Code. This requirement shall not apply to special pick-up services.
- 5.11 <u>Handling/Replacement/Repair of Refuse Containers</u>: Contractor shall use reasonable care in the handling of all privately owned garbage and rubbish containers. In the event of damage or destruction of any such container, by reason of negligence or carelessness on the part of contractor or its employees, said contractor, upon demand, shall repair or replace said container or containers or shall pay to the owner or owners thereof the reasonable amount of such damage. All containers, after emptying, shall be set down adjacent to the premises from which removed and the lid or cover shall be placed adjacent to said container.
- 5.12 <u>Customer Service Requirements</u>: Contractor shall provide and maintain toll free telephone service between 8:00 a.m. to 5:00 p.m. on regular collection days, except Saturday, when the hours shall be 8:00 a.m. to 4:00 p.m. (Sundays and legal holdays excepted). Contractor shall promptly respond to all calls and act upon all reasonable requests and complaints pertaining to the collection of garbage, rubbish, and miscellaneous debris.
- 5.13 <u>Recycling Services</u>: Contractor shall provide curbside recycling services for City residents, collecting such materials as are mutually agreed upon by Contractor and City. Contractor shall be responsible for

locating resale markets and transportation of recyclable materials to said markets.

Contractor further agrees to study the feasibility and subsequent implementation of recycling programs for multi-family residential dwellings, commercial establishments, yard waste or other recycling programs as may be identified by the City and/or contractor and mutually agreed between the two parties.

- 5.14 Payments to City: In consideration of the granting of the exclusive franchise to Contractor as herein provided. Contractor agrees to pay to the City of San Marcos, during the term of this Agreement, the following A sum equivalent to five (5) percent of gross monies collected pursuant to this Agreement within the corporate limits of the City. provided, however, Contractor shall pay to the City a minimum of \$100.00 (one hundred dollars) per annum. The aforementioned sum shall be paid quarterly, by the tenth of the month following the quarterly billing. Monies collected through the recycling surcharge for the recycling program shall be exempt from franchise fees until such time as the recycling program becomes profitable. Contractor shall further provide the City within thirty (30) days after the end of the calendar year a verified statement showing the gross monies collected for services for both refuse collection and recycling programs within the corporate limits of the City. City shall have reasonable rights to inspect Contractor's books of account at reasonable times and hours at Contractor's place of business. Contractor shall further provide the City within three (3) months after the end of the calendar year a verified statement showing the gross monies collected for services within the corporate limits of the City. shall have the right to inspect Contractor's books of account at reasonable times and hours.
- 5.15 <u>Service Charges</u>: Contractor agrees, during the term of this Agreement to abide by the schedule of charges for regular, continuous collection service, special pickup services and recycling services established by resolution of the City Council, as such schedule may be amended from time to time in accordance with Sections 5.16 and 5.17 hereof.

- 5.16 <u>Consumer Price Index Adjustments</u>: The parties hereto recognize that due to conditions generally prevailing, general rises in the cost of living are reasonably foreseeable and it is therefore agreed that the schedule of charges as established pursuant to Section 5.15 of this Agreement shall be subject to an adjustment either up or down, as follows:
  - 1. For the purpose of such adjustment the "index" referred to shall mean the most recent Consumer's Price Index for the San Diego area, as prepared and released by the United States Department of Labor, Bureau of Labor Statistics. The average index for the twelve (12) months prior to the date of this Agreement shall be accepted as the base index.
  - 2. If, during the term of this Agreement, the cost of living as determined by said index shall increase or decrease, the Contractor may adjust the schedule of charges as set forth in Section 5.15 hereof in accordance with the following method:

In order to effect such adjustment, the percentage by which such index, so determined, exceeds or is less than the base index shall be determined, and the schedule of charges to be paid thereafter shall be established by applying the percentage of increase or decrease to the service rates in effect at the time the adjustment is calculated.

- 3. Adjustments for each subsequent increase or decrease of the index shall be computed in like manner.
- 4. The schedule of charges shall not be subject to adjustment until there has been a cumulative increase or decrease of seven (7) points or more from the base index, or from the index for the month for which the prior increase or decrease in the schedule of charges was adjusted.

- 5. If neither party shall, within 30 days after said index is available for the month for which an adjustment in the schedule of charges would be in order, make demand in writing for the determination of the adjustment for the following period, the schedule of charges shall continue at the same prices as for the preceding month. Failure to make such demand at any time by either party shall not prejudice the right of such party to an adjustment upon proper demand at the subsequent time.
- 5.17 <u>Disposal Fee Offset Adjustment</u>: Nothing herein shall be construed as preventing Contractor from seeking an adjustment in rates as compensation for increased operating costs associated with an increase in disposal site tipping fees charged to them. Such request for adjustment may be considered by the City Council in addition to those allowances for adjustment specified in Section 5.16 hereof.
- 5.18 <u>Billing and Special Assessments</u>: Contractor shall bill all accounts direct for services rendered and shall be eligible for reimbursement from City in the event of non-payment after written notice has been provided to the account holder in accord with Section 8.68.410 of the San Marcos Municipal Code. To recover its costs, the City shall initiate proceedings to make delinquent collection service fees and charge a special assessment against the properties involved, in the manner specified in Municipal Code Section 8.68.420.
- 5.19 Recycling Services: Contractor shall provide curbside recycling services for City residents on a non-profit basis until such time as the recycling program becomes profitable. At that time, the City and Contractor shall negotiate the distribution of any profits. The cost of the recycling program shall include the cost of collecting, processing and marketing recyclable materials, and all reasonable on-going promotional costs. All on-going promotional costs shall be presumed reasonable unless the City makes a specific request for an unusually expensive publicity campaign. In the event of such a request, the City and Contractor shall meet to determine the amounts to be paid by each party. The cost of the

recycling program shall not include costs for the Program Manager, Operations Supervisor, or other management or administrative expenses, such as clerical costs, or officers or directors salaries, expenses or overhead. Contractor further agrees to assume all pilot program costs and all one-time only promotional costs associated with expansion of the curbside recycling program.

Contractor further agrees to absorb the costs related to the pilot curbside recycling program and any promotional expenses resulting from the expansion of curbside recycling program.

Until such time as the recycling program becomes profitable, City and Contractor shall establish low end, or "floor" values for the resale of all recyclable materials collected. Contractor shall pay the City an amount equivalent to the net resale value, minus the "floor" price, times the volume collected. For the purposes of this agreement, the net resale value shall be the actual resale value minus transportation costs. If the resale value falls below the "floor" price, City and Contractor shall re-negotiate the distribution of revenues.

If outside funds are obtained or become available to reduce the recycling program costs, the program costs shall be reduced accordingly and the City shall be credited with the value thereof.

In the event the Contractor utilized its processing facility for programs other than the curbside recycling programs for San Marcos, Vista and Escondido, the City shall receive a reduction in the San Marcos curbside program expenses directly related to the reduction in the overall percentage of the facility used to process recyclables from San Marcos.

### 6. DUTIES OF OCCUPANT

6.1 <u>Refuse Containers - Type and Construction</u>: It shall be the duty of all occupants to provide containers for the accumulation and disposal of garbage and other refuse as follows:

- 1. Residential occupancies: containers used for the accumulation or disposal of garbage shall be water tight, of suitable strength and durability, tight seamed and provided with handles and a tight fitting lid or cover which shall remain affixed to the container. Noncombustible and similar refuse other than garbage shall be deposited in containers of suitable strength and durability, including plastic bags when securely sealed against spillage. Paper bags and cardboard containers shall not be used for the accumulation of refuse of any kind set out for regular collection.
- 2. <u>Business occupancies and residential occupancies involving use</u>
  <u>of common receptacles</u>: all containers used for the
  accumulation of disposal of garbage and other refuse shall be:
  - a. Approved by the Contractor as being of suitable strength and durability and compatible with collection techniques employed; and
  - b. Approved by the San Marcos Fire Protection District as providing adequate protection against fire hazard; and
  - c. Lined with a material suitable to prevent leakage of contents.
- 6.2 <u>Volume/Weight Limitations on Refuse and Refuse Containers Placed for Collection</u>: The following volume/weight restrictions shall apply to refuse and refuse containers placed by occupant for collection by the Contractor:

### 1. Residential Occupancies:

- a. Volume and weight of refuse generated from within a residential unit: no limit
- b. Volume of refuse generated outside a residential unit: one (1) cubic yard

- c. Maximum total weight of refuse generated outside a residential unit: two-hundred (200) pounds
- ,d. Maximum loaded weight of individual containers: fifty (50) pounds
- e. Maximum volume of individual containers: forty (40) gallons
- 2. <u>Business Occupancies and Residential Occupancies Involving Use</u>
  <u>of Common Receptacles</u>: refuse set out, and containers used by
  all such occupancies shall conform to the maximum
  volume/weight limitations established by the Contractor.
- 6.3 <u>Placement of Containers for Collection</u>: It shall be the duty of all occupants to set out containers for the collection of garbage, combustible and noncombustible rubbish, and/or other refuse as follows:

### 1. Location:

<u>Residential occupancies</u>: all refuse containers shall be placed at the curb on the nearest public street fronting the premises occupied by the person depositing the same, there to be collected by the Contractor; provided that the Contractor may designate some other location for the placement of containers when such placement will expedite collection.

<u>Business occupancies</u>: all refuse containers shall be placed within a permanently constructed trash enclosure, when available on premises. Should such enclosure not exist, the contractor shall designate some other freely accessible location to expedite collection; provided that placement of containers at such alternative location shall not result in a hindrance to vehicle movement nor constitute a visual nuisance.

2. <u>Restrictions on Time of Placement</u>: It shall be unlawful to place or permit to remain any refuse containers on the

curbings, parkways or sidewalks of any public street before 6:00 p.m. on the day prior to collection, or after 6:00 p.m. on the day of collection, after materials have been removed or collected.

3. Generally: All occupants shall maintain supervision and surveillance over refuse containers on their premises and shall maintain the same in a sanitary manner. Should containers be placed for collection as required above and not be emptied on the date scheduled by the Contractor, the occupant should immediately notify the Contractor, whose duty it shall be to arrange for the collection and disposal of such refuse forthwith.

IN WITNESS WHEREOF, the parties hereto have set their hands on the day and year first hereinabove written.

Jeff Ritchie General Manager Mashburn Sanitation Company PO Box 668 San Marcos, CA 92069

### Dear Jeff:

As you know, Section 3.2 of Mashburn Sanitation's service agreement with the City requires an annual year-end review of your firm's performance. The purpose of that administrative review is to evaluate the level and quality of service offered by you as the City's sole provider of refuse collection and disposal services. With a finding of satisfactory performance, the City Manager is authorized to grant a one year extension on your contract with us.

Paul Malone indicates that refuse service related complaints were few and far between during the last 12 months, and that any such problems were resolved quickly, to residents' satisfaction. This complaint history is consistent with that experienced in previous years and is highly commendable, given the scope and scale of services involved.

The past year has seen Mashburn successfully complete a 500 home pilot curbside recycling program in San Marcos. With Council's approval, we look forward to introducing that program city-wide sometime this summer. Our compliments on the typically professional and thorough manner in which your staff, particularly Victoria Tobiason, have conducted the program to date.

As usual, Mashburn has continued its strong involvement in civic activities unrelated to its contract obligations. Your continued, long term commitment to the community has further enhanced the already strong perception of your firm as a first class corporate citizen and outstanding provider of solid waste services.

Based on the above, and pursuant to City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of Mashburn Sanitation Company's existing service agreement with the City, to March 1, 1995.

My thanks for another trouble free year, Jeff. Should you have any questions on the above, please feel free to give Paul or I a call.

Sincerely,

R.W. Gittings City Manager

Dear Jeff:

As you are aware, Section 3.2 of Mashburn's current franchise agreement with the City of San Marcos requires an annual year-end administrative review of your firm's performance. The purpose of this review is to evaluate the level and quality of refuse collection/disposal and recycling services afforded by Mashburn Sanitation as the City's sole source provider. With the finding of a satisfactory performance, the City Manager is authorized to grant a one year extension to the most recently approved term of your contract.

During the past year, Mashburn has successfully implemented a city-wide curbside recycling program based on the results of a 500 home pilot program. We anticipated that the implementation of this program would generate a variety of resident complaints and concerns; but as expected, your staff responded quickly and positively. Kip Sturdevan, in particular, has provided superb coordination with City staff on a variety of recycling and refuse collection issues.

In addition, Mashburn Sanitation has continued its strong involvement in civic activities unrelated to its contract obligations. Your continued, long term commitment to the the community has further enhanced Mashburn's already established reputation as being a first class corporate citizen and outstanding provider of solid waste services.

Based on the above, and pursuant to the City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of Mashburn Sanitation's existing service agreement with the City to March 1, 1996.

I wish to extend my thanks for another successful, productive year. If you have any questions, please feel free to call Paul Malone or me at 744-4020.

Sincerely.

The city-wide curbside recycling program is now well established and running smoothly. We look forward to successful implementation of the multi-family recycling program after the ongoing pilot has concluded. The success of these programs to date is largely attributable to the solution-oriented efforts of your firm and its very cooperative working relationships with City staff and the public. As we've come to expect, much was accomplished on the solid waste/recyclables front in San Marcos this past year. This was achieved at reasonable cost to the consumer, with minimal disruption to the customer's routine, as evidenced by the very low number of complaints we received in 1991 for all services combined. Your excellent performance to date allows us to look forward with confidence to a similarly productive and trouble-free year in 1992.

Based on the above, and pursuant to the City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of Mashburn Sanitation's existing service agreement with the City to March 1, 1997:

Re: Annual Performance Review & Notice of Contract Extension

Dear Jeff:

Section 3.2 of Mashburn's current franchise agreement with the City of San Marcos requires an annual year-end administrative review of your firm's performance. The purpose of this review is to evaluate the level and quality of refuse collection/disposal and recycling programs conducted by Mashburn as the City's sole source provider of those services. With a finding of satisfactory performance, the City Manager is authorized to grant a one year extension to the most recently approved term of your contract.

Review of our records for the past year confirms that your firm once again fulfilled its contract obligations at reasonable cost to the consumer in a manner yielding a high level of customer satisfaction, as evidenced by the very low number of complaints we received in 1993 for all services combined. Your firm's history of exceptional performance allows us to look forward with confidence to a similarly productive and trouble-free year in 1994.

Based on the above, and pursuant to the City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of Mashburn Waste & Recycling Services existing service agreement with the City to March 1, 1999.

I wish to extend my thanks for another successful, productive year. If you have any questions, please feel free to call Paul Malone or myself at 744-4020.

Dear Jeff:

As you are aware, Section 3.2 of Mashburn's current franchise agreement with the City of San Marcos requires an annual year-end administrative review of your firm's performance. The purpose of this review is to evaluate the level and quality of refuse collection/disposal and recycling programs conducted by Mashburn as the sole source provider of those services. With a finding of satisfactory performance, the City Manager is authorized to grant a one year extension to the most recently approved term of your contract.

The city-wide green waste collection/diversion program was successfully implemented this last spring and has been well received by the public. A review of our records reveals relatively few complaints during 1994 in general and confirms that your firm has once again fulfilled its contract obligations at reasonable cost to the consumer and in a manner that produces a high level of customer satisfaction. Your firm's history of exceptional performance allows us to look forward with confidence to a similarly productive and trouble-free year in 1995.

Based on the above, and pursuant to the City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of Mashburn Waste & Recycling Services' existing service agreement with the City to March 1, 2000.

I wish to extend my thanks for another successful, productive year. If you have any questions, please feel free to call me or Paul Malone at 744-1050.

Re: Annual Review; Solid Waste/Recycling Franchise Agreement

### Dear Jeff:

Section 3.2 of EDCO's franchise agreement with the City of San Marcos requires an annual year-end performance review. The purpose of this review is to evaluate the level and quality of refuse collection/disposal and recycling programs conducted by EDCO as the City's exclusive provider for such services. With a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the most recently approved term of your contract.

Our records indicate that we have received very few service-related complaints during the past year. Despite the transition from Mashburn to EDCO, this is clearly reflective of your continuing commitment to a high standard of customer service. Given Mashburn/EDCO's well established reputation for exemplary performance, we look forward to yet another productive year.

In close cooperation with EDCO, San Marcos recently reached an early milestone by exceeding the year 2000 50% diversion goal required for compliance with the Integrated Waste Management Act of 1989. Although the most recent report (1997) shows a diversion rate of 51%, our aim is to maintain or even surpass this rate in keeping with the City's projected population growth. To that end, we look forward to working with EDCO staff this year to discuss implementation of a multi-family recycling program and/or other efforts to ensure the City remains in compliance with the State's diversion mandates.

Based on the above, and pursuant to City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of EDCO Waste and Recycling Service's service agreement with the City to March 1, 2004.

Re: Annual Review; Solid Waste/Recycling Franchise Agreement

Dear Jeff:

Section 3.2 of EDCO's franchise agreement with the City of San Marcos calls for an annual year-end performance review. The purpose of this review is to evaluate the level and quality of refuse collection/disposal and the recycling programs conducted by EDCO as the City's exclusive provider of those services. With a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the most recently approved term of your contract.

I am pleased to report that we have received very few service-related complaints during the past year. Your efforts at maintaining a high standard of customer service are highly commendable. As you approach your second year following the all-but-seamless transition from Mashburn to EDCO, your continuing exemplary performance allows us to look forward confidently to yet another productive year.

This Fall, we anticipate working closely with EDCO to successfully implement a single-can automated waste collection system for residential trash customers. Automation will advance our mutual goal of providing a higher level of service without imposing a customer rate increase. The City's conversion from manual to automated collection also coincides with EDCO's ongoing endeavor to replace the company's existing fleet of collection trucks.

Another important challenge is to maintain the 50% diversion goal required for compliance with the Integrated Waste Management Act of 1989. Although the most recent report reflects a rate of 48%, we have exceeded the 50% goal in years past, and our aim is to do as well this year. To that end, we look forward to continuing our discussion about the feasibility of implementing a multi-family recycling program and/or other efforts to ensure the City remains compliant with the State's diversion mandates.

Based on the above, and pursuant to City Council Resolution No. 88-2785, I am pleased to authorize a one year extension of EDCO Waste and Recycling Service's service agreement with the City to March 1, 2005.

Re: Annual Review; Solid Waste Franchise Agreement

Dear Jeff,

The City is required to conduct an annual year-end review of EDCO's performance in San Marcos, per section 3.2 of EDCO's franchise agreement. This review is conducted to evaluate the quality of refuse collection/disposal and recycling services provided by EDCO, as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

Our records indicate that the City has received very few service-related complaints over the past year, and the few service-related complaints we did receive were most often from customers who had delinquent accounts or did not understand the City's mandatory trash ordinance. We are also pleased to report that every request for information generated by City staff on behalf of our residents was consistently responded to in a very timely manner. The level of service provided by EDCO has consistently met and exceeded the City's expectations this year. The City commends you and your staff's continued efforts in providing outstanding customer service to the residents of San Marcos.

This past year, the City, with your assistance and technical expertise, has been focusing on improving existing waste diversion programs and implementing new programs in order to increase the City's waste diversion rate. According to the California Integrated Waste Management Board (CIWMB), the City's diversion rate in 2003 was 36%. The City appreciates your assistance in increasing the City's diversion rate and is optimistic that with your continued efforts the City will close the gap between the current 36% waste diversion rate and the state's mandated diversion rate of 50%

Based on the above findings, and pursuant to City Council Resolution No. 88-2785, I am pleased to authorize a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2010.

Dear Jeff:

The City is required to conduct an annual year-end review of EDCO's performance in San Marcos, per section 3.2 of EDCO's franchise agreement. This review is conducted to evaluate the quality of refuse collection/disposal and recycling services provided by EDCO, as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

Our records indicate that the City has not received any service-related complaints over the past year. We are also pleased, once again, to report that every request for information generated by City staff on behalf of our residents was consistently responded to in a very timely manner. The level of service provided by EDCO has consistently met and exceeded the City's expectations this year. The City commends you and your staff's continued efforts in providing outstanding customer service to the residents of San Marcos.

The City continues to focus on implementing new programs in order to increase the City's waste diversion rate. Two new programs implemented this year, with your assistance, were special event recycling and a multi-family recycling pilot program to serve the City's apartment communities. According to the California Integrated Waste Management Board (CIWMB), the City's diversion rate in 2004 was 46%. According to the results of the City's new base year waste generation study, our revised diversion rate is 50%. The new base year waste generation study is expected to be approved by the CIWMB later this year. The City applauds your current waste diversion efforts on the City's behalf and looks forward to working together to maintain the state's mandated waste diversion rate of 50%. This will be a challenge while the City continues to grow and add new residents but we are confident that, together, we will meet this challenge.

Based on the above findings, and pursuant to City Council Resolution No. 88-2785, I am pleased to authorize a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2011.

Congratulations on the well-deserved extension of EDCO's contract with the City of San Marcos. If you would like to discuss this matter further, please call either Paul Malone or me at (760) 744-1050.

Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that the level of service provided by EDCO has definitely exceeded our expectations this year. The City has finally been recognized for all of your waste diversion efforts on our behalf. The California Integrated Waste Management Board (CIWMB) has approved the City's new base year waste generation study which resulted in a 2004 waste diversion rate of 52%. We are also pleased to report that the City's waste diversion rate for 2005 is 53%.

Based on the above findings, and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2012. RE: Annual Performance Review

Dear Mr. Ritchie:

In accordance with the franchise agreement with EDCO Waste & Recycling Services section 3.2, the City is required to conduct a year-end review of the quality of refuse collection/disposal services provided by EDCO as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

Once again, we can report that the level of service provided by EDCO has exceeded our expectations. For the last two years, the City's waste diversion rate has been over 50%. After experiencing quite large increases in our yearly recycling rate when the City converted to commingling recycling containers, the City still has an average increase of 6% a year in residential recycling. This is the direct result of all of EDCO efforts at increasing the City's recycling rate. In addition, your customer service and sales staff are always extremely responsive to our residents needs and provide excellent service.

EDCO has assisted the City with disposal for several City projects this past year in addition to providing bins for the City's emergency horse shelter during last October's Witch Fire. On every occasion, when the City needed assistance with disposal, EDCO staff has responded quickly and with great efficiency.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2013. We look forward to working together to implement our pilot multi-family recycling program citywide this year and to maintaining the City's waste diversion rate above 50%, in order to remain in compliance with the state's mandated waste diversion rate of 50%. Congratulations on the well-deserved extension of EDCO's contract with the City of San Marcos. If you would like to discuss this matter further, please call me at (760) 744-1050.

RE: 2008 CPI Increase in Storm Water Management Fee

Dear Jeff:

The San Marcos City Council adopted resolution 2001-5684 authorizing a Storm Water Management Fee with the condition that the fee be increased on an annual basis in accordance with the Consumer Price Index for the San Diego region.

Because the Storm Water Management Fee increases every July 1<sup>st</sup>, please allow this letter to serve as a reminder to increase this fee according to calendar year 2007 CPI. The Bureau of Labor Statistics releases CPI information for the San Diego Region on a semi-annual basis. The most recent regional CPI numbers for 2007 show:

Annual Average Increase:

2.3%

Please increase the Storm Water Management Fee across the board by this percentage.

This increase will result in the following new Storm Water Management fees:

Residential:

\$2.10

Commercial 3-yard bin (1/week):

\$9.84

These fees are up from \$2.05 and \$9.62 respectively.

Please see to it that these fees are adjusted in time for the July billing. Thank you in advance for your attention to this matter. If you have any questions, please contact me at (760) 744-1050, extension 3115.

RE: 2010 Storm Water Management Fees

Dear Mr. Ritchie:

The San Marcos City Council adopted resolution 2001-5684 authorizing a storm water management fee with the condition that the fee be increased on an annual basis in accordance with the Consumer Price Index (CPI) for the San Diego region. The Bureau of Labor Statistics releases CPI information for the San Diego Region on a semi-annual basis.

The storm water management fee usually increases every July 1<sup>st</sup> due to an increase in the San Diego CPI. In 2009, for the first time since 1955, there was no increase in the CPI. Since there was no increase in the CPI for calendar year 2009, there will be no increase in the 2010 storm water management fee. The FY 2009/10 stormwater management fees will remain in effect for FY 2010/11. They are listed below for your reference.

Residential:

\$2,18

Commercial 3-yard bin (1/week):

\$10.22

Please note that on June 23, 2009, the San Marcos City Council increased the solid waste franchise fee from five percent (5%) to eight percent (8%), for a total of three percent (3%). The rate increase was spread over a two-year period; it increased 1.5% in FY 2009/10 and is scheduled to increase 1.5% in FY 2010/11. Please refer to the attached rate sheet and make the necessary adjustments in your July billing. Thank you in advance for your attention to this matter. RE: Annual Review of Solid Waste Franchise Agreement

Dear Mr. Ritchie:

The City is required to conduct an annual year-end review of EDCO's performance in San Marcos, per section 3.2 of EDCO"s franchise agreement. This review is conducted to evaluate the quality of service provided by EDCO as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that your company's performance has exceeded our expectations again this year. There are many accomplishments to list; however, the most important is the implementation of multi-family recycling in the City's apartment communities. This effort will greatly assist the City in meeting the state-mandated waste diversion requirements.

Our performance review records show that when an issue from a resident is referred to EDCO for action, the request is handled courteously, in a timely manner and to the resident's satisfaction. This year EDCO has assisted the City with seven projects in addition to the City's annual Volunteer Improvement and Beautification Event (VIBE). At this year's VIBE, over 15 tons of debris was removed from one neighborhood. Once again, thanks to EDCO, our event was a huge success.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2016. Congratulations on the well-deserved extension of EDCO's contract with the City of San Marcos. If you would like to discuss this matter further, please call me at (760) 744-1050.

Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that over the past year, the quality of your company's service provision has well exceeded our expectations. Upon review of our records, only two calls were received from residents with issues about the truck start time on their street. Once we shared this with your staff, the residents' issues were quickly resolved to their satisfaction. Your customer service and sales staff are always extremely responsive and continue to provide excellent service.

EDCO assisted the City with disposal for many City projects this year, in addition to participating in the City's annual Volunteer Improvement and Beautification Event (VIBE). This year's VIBE included a home which had an unusually large amount of accumulated trash. Your staff worked diligently alongside our volunteers until this trash was disposed. On every occasion, when the City needed assistance with disposal, EDCO staff has responded quickly and with great efficiency.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2017. We look forward to working together to remain in compliance with the state's mandated waste diversion requirement and the state's new mandatory commercial recycling provisions. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that the City has been very satisfied with your company's efforts and your service provision has been excellent. This past year EDCO assisted the City with several projects, including expending significant staff time working with businesses to implement the state's new mandatory commercial recycling legislation. For the City's annual Volunteer Improvement and Beautification Event (VIBE), EDCO placed several 40-yd bins throughout the neighborhood for residents' use. This resulted in over 36 tons of debris collected. Once again, thanks to the donation of trash services and EDCO staff, this event was a huge success.

In an effort to reduce the amount of waste from San Marcos that goes into the landfill, EDCO continues to increase the types of material accepted for recycling at the Recycling Buyback Center. Rigid plastic, large styrofoam and home-generated sharps were added to the list of items that are now accepted. The buyback center has evolved into a convenient, one-stop recycling center for San Marcos residents.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2018. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that the City continues to be very satisfied with your company's service provision. Your customer service, sales and operations staff are always very courteous and provide exceptional service to our residents and businesses. EDCO also assisted the City with disposal and recycling for several City projects this year.

We are fortunate to have the EDCO Recycling Buyback Center here in San Marcos. The buyback center is a convenient, one-stop recycling center for our residents. Thankfully, EDCO continues to increase the types of material accepted for recycling at the buyback center and through the curbside recycling program. This year cartons were added to the list of items that are now accepted for recycling.

We look forward to working with you to increase the amount of businesses that are recycling in San Marcos to ensure continued compliance with state's mandatory commercial recycling legislation, AB 341 and AB 939, the state's mandatory waste diversion requirements.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2019. Congratulations on the one-year extension of EDCO's current contract with the City of San Marcos. If you would like to discuss this matter further, please call me at (760) 744-1050.

Re: Annual Performance Review

Dear Mr. Ritchie:

In accordance with Section 3.2 of the franchise agreement with EDCO Waste & Recycling Services, the City is required to conduct a year-end review of the quality of service provided by EDCO as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that the City continues to be very satisfied with your company's services. Your customer service, sales, and operations staff are always very courteous and provide exceptional service to our residents, businesses, and City staff.

Just like in previous years, EDCO has also assisted the City with disposal and recycling for many City projects this year. We especially appreciated the help that the company offered and provided as part of the cleanup for the May 2014 wildfires. Your prompt assistance was instrumental in making the cleanup a success.

Residents are also benefiting from the new automated green-waste carts that were provided free of charge in September. The carts provide an easy way for the community to collect grass, leaves, and brush and keep these items out of landfills. We look forward to continuing our joint efforts to increase the number of residents and businesses that are recycling to ensure our ongoing compliance with the state's mandatory waste diversion requirements.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2020.

Congratulations on the one-year extension. If you would like to discuss this matter further, please feel free to call me at (760) 744-1050.

Sincerely,

City Manager

### RESOLUTION NO. 88- 2785

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS APPROVING AN AGREEMENT FOR REFUSE COLLECTION AND DISPOSAL SERVICES WITH MASHBURN SANITATION COMPANY

WHEREAS, the San Marcos City Council has determined that a sole source contract for refuse collection and disposal services to occupied premises in San Marcos would best serve the interests of the City; and

WHEREAS, the City has previously entered into such contracts with Mashburn Sanitation Company, awarding said firm the sole and exclusive right to perform such services within the corporate limits of San Marcos; and

WHEREAS, such contracts have been executed, for terms of five (5) years, with options to extend for a like period of time, from 1963 to the present; and

WHEREAS, the most recently approved five (5) year term of said contract expires on March 26, 1988; and

WHEREAS, the City's contractual relationship with Mashburn Sanitation has historically yielded consistently high levels of service and customer satisfaction.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of San Marcos does hereby approve and authorize a new agreement awarding a sole and exclusive franchise for the collection and disposal of refuse materials to Mashburn Sanitation Company for a period of five (5) years with an option for extending the franchise agreement beyond March 1993 through one of two alternatives:

- a) add an additional five (5) year option to extend the franchise agreement through March of 1998; or
- b) adding an additional year to the current 5 year option to extend (ending in March of 1993) at the end of each calendar year upon the successful conclusion of an administrative review and evaluation of the service provided by Mashburn Sanitation.

Alternative (b) would provide for a continuous 5 year franchise agreement until such time as the administrative evaluation determined that the franchise agreement was no longer in the City's best-interest and should therefore be altered.

# RESOLUTION NO. 95-4590

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS APPROVING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES

WHEREAS, Mashburn Sanitation Company currently provides refuse collection, curbside recycling, and green waste services within San Marcos pursuant to its franchise agreement with the City; and

WHEREAS, said agreement provides for periodic adjustment of the rates charged for such services, to reflect operational savings realized from decreases in landfill tip fees charged at County landfills; and

WHEREAS, the County Board of Supervisors and Solid Waste Management Authority approved a landfill tip fee decrease of \$7.50 per ton, effective July 1, 1995; and

WHEREAS, pursuant to Section 5.16 of its franchise agreement, Mashburn Sanitation has submitted a proposal for downward adjustment of its service rates to reflect a pass-through of savings associated with said decrease; and

WHEREAS, Mashburn has incurred, without reimbursement to date, \$234,289 in landfill tip fee surcharges assessed against waste generated within the City of San Marcos from October 1, 1994 to January 31, 1995; and

.WHEREAS, for the balance of Fiscal Year 1995-96, Mashburn has proposed a pass through of July 1, 1995 tip fee savings in a manner which would permit full recovery of the firm's expense in connection with same; and

WHEREAS, thereafter, the full benefit of the July 1, 1995 tip fee reduction would be passed through to the firm's San Marcos customers beginning in Fiscal Year 1996-97; and

WHEREAS, the City Council has reviewed Mashburn's assumptions and calculations in support of this proposal and found them to be an accurate reflection of savings due San Marcos ratepayers in connection with the referenced tip fee reduction, net of surcharge costs.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of San Marcos does hereby establish the following amended rate schedule for refuse collection and recycling services within the City, said schedule to take effect September 1, 1995:

#### RESOLUTION NO. 96-4720

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS APPROVING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES

WHEREAS, Mashburn Waste & Recycling Services currently provides refuse collection, curbside recycling and green waste diversion services within San Marcos pursuant to a franchise agreement with the City; and

WHEREAS, that agreement provides for periodic adjustment of the rates charged for such services, to reflect savings derived from reductions in the tip fees charged by operators of solid waste facilities; and

WHEREAS, the County Board of Supervisors and Solid Waste Management Authority approved two landfill tip fee reductions of \$7.50 per ton each, effective July 1, 1995; and July 1, 1996, respectively; and

WHEREAS, in August, 1995, the City Council approved a rate amendment reflecting a partial pass-through of savings associated with the first of these tip fee reductions to enable Mashburn to recoup, in Fiscal Year 1995-96, tip fee surcharges incurred by that firm from October 1994 to January, 1995; and

WHEREAS, the City Council resolution approving that rate reduction stipulated that the full benefit of the July 1995, tip fee reduction would be realized by San Marcos ratepayers in the form of a supplemental pass-through of savings in Fiscal Year 1996-97; and

WHEREAS, ratepayers are further entitled to a direct pass-through of savings associated with the July, 1996 tip fee reduction; and

WHEREAS, Mashburn has submitted a proposed rate schedule which would effect a passthrough of the balance of the savings resulting from the 1995 tip reduction and all of savings derived from the 1996 tip fee reduction, commencing with the firm's September, 1996 billing; and

WHEREAS, the proposed pass-throughs are net of increased green waste tip fee costs incurred by Mashburn since July 1, 1996.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of San Marcos does hereby establish the following amended rate schedule for refuse collection and recycling services within the City, effective September 1, 1996:

### RESOLUTION NO. 97-4811

A RESOLUTION OF THE SAN MARCOS CITY COUNCIL AUTHORIZING PURSUIT OF AN AGREEMENT FOR ONE OR MORE SOLID WASTE DISPOSAL OPTIONS

WHEREAS, depositions of solid waste to the San Marcos Landfill will cease at close of business on March 11, 1997; and

WHEREAS, closure of the Landfill necessitates the evaluation of, and selection from among, certain waste disposal options for the City of San Marcos and other north county communities; and

WHEREAS, staff and Mashburn waste and Recycling Services have identified a number of feasible alternatives and ranked them in order of availability and cost-effectiveness.

NOW THEREFORE, the City Council resolves as follows:

The City Manager and Mashburn Waste & Recycling Services are hereby authorized to pursue an agreement for one or more of the following solid disposal alternatives in the order of priority noted:

- 1. Effective March 12, use of Palomar Transfer Station pursuant to a negotiated "day rate" not to exceed \$38 per ton, with no long term commitment of waste;
- Once available, and presuming tip fees and other terms competitive with the Palomar facility, potential use of the EDI transfer station in Escondido;
- In the absence of either of the above alternatives, direct haul to either the Sycamore
  or Miramar Landfills, dependent upon which site offers the most attractive terms and
  entails the lowest overall costs;
- 4. Other cost-competitive options as they become available.

BE IT FURTHER RESOLVED that any adjustments to Mashburn's waste service fee schedule occasioned by the select alternative shall be approved by the City Council prior to execution of a binding commitment of City waste to same.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS APPROVING THE SALE OF MASHBURN WASTE & RECYCLING SERVICES AND TRANSFER OF THE CITY'S SOLID WASTE FRANCHISE AGREEMENT TO EDCO DISPOSAL CORPORATION

WHEREAS, Section 8.68.290 of the San Marcos Municipal Code confers upon the City Council the right to issue, and approve any subsequent transfer of, an exclusive franchise for the collection and disposal of solid waste and recyclables within the City limits; and

WHEREAS, the City Council has previously entered into an exclusive franchise ("Agreement") for such services with Mashburn Waste & Recycling Services; and

WHEREAS, said Agreement also requires the City's prior written consent to the transfer of any rights conferred thereunder; and

WHEREAS, Mashburn ownership has advised of EDCO Disposal Corporation's proposed acquisition of a 100% ownership interest in the firm and formally requested City Council approval of that purchase and the concurrent transfer of Mashburn's franchise with the City; and

WHEREAS, review of EDCO's finances, experience and corporate philosophy indicates the company is well qualified to assume the duties of the City's exclusive provider of waste and recycling services.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of San Marcos, that transfer of the City's current solid waste franchise agreement with Mashburn Waste & Recycling Services to EDCO Disposal Corporation is hereby approved, effective upon the date the latter acquires a 100% interest in Mashburn.

WHEREAS, the City of San Marcos presently contracts with EDCO Waste and Recycling Services, Inc. for waste collection services; and

WHEREAS, EDCO is seeking permission to implement an automated singlefamily residential waste collection program in San Marcos; and

WHEREAS, said program would yield greater operating efficiencies than the present manual loading system, resulting in fewer truck trips on city streets and a corresponding reduction in pollution; and

WHEREAS, conversion to an automated system would be accomplished at no cost to the City or public, except for a "second can" charge of \$3.25 per month for households requesting a second 90 gallon waste container; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SAN MARCOS AS FOLLOWS:

- 1. The Automated Residential Collection Program Implementation Schedule outlined in Exhibit "A" hereto is approved.
- 2. Except as provided in #3, below, automation shall be implemented at no cost to the City or EDCO's San Marcos customer base.
- 3. EDCO's rate schedule for waste & recycling services is hereby amended to provide for a \$3.25 per month "second can" charge to

### **RESOLUTION NO. 2001-5684**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS APPROVING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES, AN INCREASED AB 939 FEE AND A NEW STORM WATER MANAGEMENT FEE

WHEREAS, EDCO Waste and Recycling Services, Inc. currently provides refuse collection and curbside recycling services within San Marcos pursuant to its franchise agreement with the City; and

WHEREAS, said agreement provides for periodic adjustment in the rates charged for such services, to offset increased operating and capital costs associated with inflation; and

WHEREAS, EDCO has incurred significant "cost of living" expenses since its last CPI rate adjustment in 1994; and

WHEREAS, pursuant to Sections 5.16 and 5.17 of its franchise agreement, EDCO has submitted a request for adjustment of its service rates to offset these expenses; and

WHEREAS, the City Council has reviewed EDCO's proposed rate adjustments and found them to conform to the rate adjustment provisions of the franchise agreement; and

WHEREAS, AB 939 imposes numerous source reduction and recycling duties on cities and counties and authorizes affected jurisdictions to recover their actual costs of implementing those unfunded mandates; and

WHEREAS, the City has determined that its direct cost of implementing the mandates of AB 939 amount to some \$75,000 annually; and

WHEREAS, the Federal Clean Water Act ("The Act") imposes significant, and similarly unfounded, storm water management duties upon the City, via the San Diego Regional Water Quality Control Board NPDES compliance program; and

WHEREAS, the City has determined that its NPDES compliance costs will run to a minimum of \$1,361,623 annually, and as high as \$2,474,490 in the near term; and

WHEREAS, both AB 939 and The Act impose significant penalties upon those jurisdictions which fail to comply with their provisions.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Marcos as follows:

- The amended Solid Waste & Recycling Services Rate Schedule attached as Exhibit A hereto is adopted, effective July 1, 2001.
- 2. A monthly AB 939 implementation fee equivalent to 3% of the prevailing waste collection and recycling charge(s) for each category of residential service is adopted, effective July 1, 2001, pursuant to Exhibit A hereto. Said fee shall adjust automatically and concurrently with future adjustments to the Solid Waste & Recycling Services Rate Schedule.
- 3. A City-wide Storm Water Management Fee applicable to all residential and business waste & recycling accounts is hereby adopted, effective July 1, 2001, pursuant Exhibit A hereto. Such fees shall adjust automatically, and without need for further City Council action each July 1st, pursuant to the Consumer Price Index for the San Diego region, or the successor thereto, until such time as the revenues generated therefrom are sufficient to offset the City's full cost of complying with NPDES storm water management requirements..

4. The City Council hereby finds that the referenced AB 939 fee and city-wide storm water management fee are necessary to recover a portion of the City's direct costs of implementing state and/or federal requirements related to such programs and, in the absence of state and federal assistance for these unfunded mandates, are critical to the City's ability to comply with same and avoid statutory sanctions.

BE IT FURTHER RESOLVED that the above rates shall take effect July 1, 2001.

# RESOLUTION NO. 2003-6050

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS, CALIFORNIA, APPROVING AN AUTOMATED, COMINGLED RESIDENTIAL CURBSIDE RECYCLING SYSTEM

WHEREAS, AB 939 mandates that all cities in California divert a minimum of 50% of their municipal wastestream from landfills; and

WHEREAS, the City of San Marcos, through its solid waste franchisee, EDCO Waste & Recycling Services, presently operates a source-separated, manual collection, residential curbside recycling system as one of several elements of its diversion program; and

WHEREAS, conversion of the curbside program to a co-mingled, automated system would afford certain efficiencies of operation, increased resident participation, and environmental benefits associated with a smaller collection fleet; and

WHEREAS, the City and EDCO are desirous of realizing such enhancements; and

WHEREAS, EDCO has committed to implementing an automated recycling program City-wide, with said conversion amortized entirely through the increased efficiencies which would accrue to the firm, with no increase in recycling service rates.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Marcos as follows:

 Conversion of the City's existing source-separated, manual residential curbside recycling program to a co-mingled (single can) automated system by EDCO Waste & Recycling Services is hereby approved.  Said conversion shall be effected at no cost to the rate paying customer or the City of San Marcos and EDCO shall make every effort to accomplish the same prior to January 1, 2004.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of San Marcos this 11th day of February, 2003, by the following roll call votes:

# **RESOLUTION NO. 2003-6124**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS, APPROVING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES AND ATTENDANT INCREASE IN THE CITY'S AB 939 FEE

WHEREAS, EDCO Waste and Recycling Services, Inc. currently provides refuse collection and curbside recycling services within San Marcos pursuant to its franchise agreement with the City; and

WHEREAS, said agreement provides for periodic adjustment in the rates charged for such services, to offset increased operating and capital costs associated with inflation; and

WHEREAS, EDCO has incurred "cost of living" expenses since its last CPI rate adjustment in July, 2001; and

WHEREAS, pursuant to Sections 5.16 and 5.17 of its franchise agreement, EDCO has submitted a request for adjustment of its service rates to offset these expenses; and

WHEREAS, the City Council has reviewed EDCO's proposed rate adjustments and found them to conform to the rate adjustment provisions of the franchise agreement; and

WHEREAS, AB 939 imposes numerous source reduction and recycling duties on cities and counties and authorizes affected jurisdictions to recover their actual costs of implementing those unfunded mandates; and

WHEREAS, the City has previously determined that its direct cost of implementing the mandates of AB 939 amount to at least \$75,000 annually.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of San Marcos, as follows:

- The amended Solid Waste & Recycling Services Rate Schedule attached 1. as Exhibit A hereto is adopted, effective July 1, 2003
- The City Council hereby finds that the referenced AB 939 fee increase is 2. necessary to recover a portion of the City's direct costs of implementing state recycling requirements and, in the absence of state assistance for these unfunded mandates, is critical to the City's ability to comply with same and avoid statutory sanctions.

BE IT FURTHER RESOLVED that the above rates shall take effect July 1, 2003.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of San Marcos, California at their regular meeting held on the 27th day of May, 2003, by the following roll call votes:

#### RESOLUTION NO 2004-6396

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS AMENDING EDCO'S RATE SCHEDULE FOR SOLID WASTE AND RECYCLING SERVICES TO ESTABLISH FEES FOR THE COLLECTION, TRANSPORTATION, CONTENTS DISPOSAL AND IMPOUND OF UNAUTHORIZED SOLID WASTE AND RECYCLING CONTAINERS

WHEREAS, Ordinance No. 2004-1227 (amending Chapter 8.68 of the Municipal Code) provides for the abatement of unauthorized solid waste and recycling containers by the City's solid waste franchisee, with prior authorization from the City Manager or his/her designee; and

WHEREAS, said ordinance further provides for the recovery of collection, transportation, disposal and impound costs from the owner of unauthorized containers; and

WHEREAS, the City Council has previously established a master rate schedule setting forth the charges which EDCO, the City's solid waste and recycling franchisee, is authorized to assess for the services it provides.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of San Marcos that the EDCO Master Rate Schedule is hereby amended as follows:

- The rate charged for the collection and transportation of unauthorized 14 or 40 yard roll-off container shall be \$189.90 per container.
- 2. The rates charged for the collection and transportation of any unauthorized two (2), three (3), four (4) or five (5) yard container shall be those fees established pursuant to City Council Resolution No. 2003-6124.

- 3. The rate charged for contents disposal of any unauthorized container shall be the *actual* tip fee incurred by EDCO at the appropriate disposal or recycling site.
- 4. The rate charged for the impound of any unauthorized container shall be \$20 per day.
- 5. City staff to prepare and provide an annual report to the City Council.

#### RESOLUTION NO 2009-7222

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS, CALIFORNIA, APPROVING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES

WHEREAS, Section 40059 of the Public Resources Code provides that each city may determine all aspects of solid waste handling which are matters of local concern, including charges and fees; and

WHEREAS, The City Council awarded an exclusive Solid Waste Franchise Agreement to Mashburn Waste and Recycling Services (Contractor) on March 27, 1963 which was assigned to EDCO Waste and Recycling Services, Inc. upon City Council approval on July 30, 1998; and

WHEREAS, Section 8.68.370 of the San Marcos Municipal Code provides that the City Council may establish solid waste collection rates by written resolution; and

WHEREAS, EDCO Waste and Recycling Services, Inc. currently provides refuse collection, curbside recycling services and green waste recycling services within the City of San Marcos pursuant to its solid waste franchise agreement with the City; and

WHEREAS, Sections 5.16 and 5.17 of said agreement provide for periodic adjustment in the rates charged for such services to offset increased operating and capital costs associated with inflation; and

WHEREAS, EDCO Waste and Recycling Services, Inc. has incurred increased "cost of living" expenses since its last San Diego Consumer Price Index (CPI) rate adjustment in July, 2003; and

WHEREAS, EDCO Waste and Recycling Services, Inc. pays the City a franchise fee in consideration of the granting of an exclusive franchise agreement; and

WHEREAS, the City of San Marcos has broad discretion to set the amount of the franchise fee pursuant to Section 49300 of the Public Resources Code; and

WHEREAS, EDCO Waste and Recycling Services' current rate schedule has been revised to reflect the effects of a change in the franchise fee from five percent (5%) to eight percent (8%) of the gross receipts from the collection and disposal of refuse earned by the Contractor during each fiscal year ending June 30, or a fraction thereof, that this agreement is in effect.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of San Marcos, California, does hereby declare, determine and order as follows:

- The City Council consents to the increase in the Solid Waste and Recycling Services Rate Schedule as set forth in Exhibit A.
- In consideration for the franchise rights granted to the Contractor, the City
  Council sets the solid waste franchise fee being imposed on the hauler's
  gross receipts from the collection and disposal of refuse at eight percent
  (8%).

BE IT FURTHER RESOLVED that the above rates shall take effect July 1, 2009.

#### **RESOLUTION NO. 2012-7648**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS, CALIFORNIA, ACKNOWLEDGING AN AMENDED RATE SCHEDULE FOR SOLID WASTE COLLECTION AND RECYCLING SERVICES

WHEREAS, Section 40059 of the Public Resources Code provides that each city may determine all aspects of solid waste handling which are matters of local concern, including charges and fees; and

WHEREAS, The City Council awarded an exclusive Solid Waste Franchise Agreement to Mashburn Waste and Recycling Services (Contractor) on March 27, 1963 which was assigned to EDCO Waste and Recycling Services, Inc. upon City Council approval on July 30, 1998; and

WHEREAS, EDCO Waste and Recycling Services, Inc. currently provides refuse collection, curbside recycling services and green waste recycling services within the City of San Marcos pursuant to its solid waste franchise agreement with the City; and

WHEREAS, Sections 5.16 and 5.17 of said agreement provide for periodic adjustment in the rates charged for such services to offset increased operating and capital costs associated with inflation; and

WHEREAS, EDCO Waste and Recycling Services, Inc. has incurred increased "cost of living" expenses since its last San Diego Consumer Price Index (CPI) rate adjustment in July 2009; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of San Marcos, California, does hereby declare, determine and order as follows:

 The City Council acknowledges the increase in the Solid Waste and Recycling Services Rate Schedule as set forth in Exhibit A.

BE IT FURTHER RESOLVED that the above rates shall take effect JULY 1, 2012.

#### **RESOLUTION NO. 2013-7829**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN MARCOS, CALIFORNIA INCREASING THE SOLID WASTE MANAGEMENT FEE WASTE AND RECYCLING SERVICES

WHEREAS, Section 40059 of the California Public Resources Code provides that each city many determine all aspects of solid waste handling which are matters of local concern, including charges and fees; and

WHEREAS, the City Council awarded an exclusive solid waste franchise to Mashburn Waste and Recycling Services on March 27, 1963 which was assigned to EDCO Waste and Recycling Services, Inc. upon City Council approval on July 30, 1998; and

WHEREAS, EDCO Waste and Recycling Services, Inc. pays the City a solid waste management fee, commonly referred to as a franchise fee, in consideration of granting the exclusive franchise agreement; and

WHEREAS, the City of San Marcos has the broad discretion to set the amount of the franchise fee pursuant to Section 49300 of the Public Resources Code; and

WHEREAS, the current EDCO Waste and Recycling Services, Inc. franchise fee is eight percent (8%) of gross receipts, which will be adjusted by 10.6%.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Marcos that, in consideration for the franchise right granted to EDCO Waste and Recycling, the adjusted franchise fee being imposed on the hauler's gross receipts from the collection and disposal of solid waste refuse will be adjusted to 18.6%.

BE IT FURTHER RESOLVED, that the above franchise fee adjustment will take effect September 1, 2013.

#### Standard Provisions of Agreement Between Client and Consultant

Form BM 87-1C @ 1973 by the California Council of Civil Engineers and Land Surveyors

Client and consultant agree that the following provisions shall be part of their agreement:

- This agreement shall be binding upon the heirs, executors, administrators, successors and assigns of client and consultant.
- This agreement shall not be assigned by either client or consultant without the prior written consent of the other.
- This agreement contains the entire agreement between client and consultant relating to the project and the provision of services to the project. Any prior agreements, promises, negotiations or representations not expressly set forth in this agreement are of no force or effect. Subsequent modifications to this agreement shall be in writing and signed by both client and consultant.
- Consultant's waiver of any term, condition, or covenant, or breach of any term, condition, or covenant, shall not constitute the waiver of any other term. condition, or covenant, or the breach of any other term, condition, or covenant.
- If any term, condition, or covenant of this agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this agreement shall be valid and binding on client and consultant.
- This agreement shall be governed by and construed in accordance with the laws of the State of California.
- Consultant shall only act as an advisor in all governmental relations.
- All original papers, documents, drawings and other work product of consultant, and copies thereof, produced by consultant pursuant to this agreement, except documents which are required to be filed with public agencies, shall remain the property of consultant and may be used by consultant without the consent of client.
- Client acknowledges that its right to utilize the services and work product provided pursuant to this agreement will continue only so long as client is not in default pursuant to the terms and conditions of this agreement and client has performed all obligations under this agreement. Client further acknowledges that consultant has the unrestricted right to use the services provided pursuant to this agreement as well as all work product provided pursuant to this agreement.
- 10. Client and consultant agree to cooperate with each other in every way on the project.
- 11. Upon written request, client shall execute and deliver, or cause to be executed and delivered, such additional instruments, documents, governmental fees and charges which are necessary to perform the terms of this agreement.
- 12. Consultant makes no representations concerning soil conditions unless specifically included in writing in this agreement, and he is not responsible for any liability that may arise out of the making or failure to make soil surveys, or subsurface soil tests, or general soil testing.
- 13. Client agrees not to use or permit any other person to use plans, drawings, or other work product prepared by consultant, which plans, drawings, or other work product are not final and which are not signed, and stamped or sealed by consultant. Client agrees to be liable and responsible for any such use of nonfinal plans, drawings, or other work product not signed and stamped or sealed by consultant and waives liability against consultant for their use. Client further agrees that final plans, drawings or other work product are for the exclusive use of client and may be used by client only for the project described on the face hereof. Such final plans, drawings or other work product may not be changed nor used on a different project without the written authorization or approval by consultant.
- 14. Consultant has a right to complete all services agreed to be rendered pursuant to this contract. In the event this agreement is terminated before the completion of all services, unless consultant is responsible for such early termination, client agrees to release consultant from all liability for work performed.
- 15. Client agrees that in performing requested ALTA surveys in accordance with this contract, consultant agrees to sign the statement on the survey documents attached hereto as Exhibit 1 and incorporated herein by this reference. In the event that consultant is required to sign a statement or certificate which differs from that contained in Exhibit 1, client hereby agrees to indemnify and hold consultant harmless from any and all liability arising from or resulting from the signing of any statement which differs from the statement contained in Exhibit 1.
- 16. If the scope of services to be provided by consultant pursuant to the terms of this agreement include the preparation of grading plans but exclude construction staking services, client acknowledges that such services normally include coordinating civil engineering services and the preparation of as-built drawings

pursuant to Uniform Building Code Chapter 70 and client will be required to retain such services from another consultant or pay consultant pursuant to this agreement for such services as extra work in accordance with Paragraph 26.

- 17. Consultant shall be entitled to immediately, and without notice, suspend the performance of any and all of its obligations pursuant to this agreement if client files a voluntary petition seeking relief under the United States Bankruptcy Code or if there is an involuntary bankruptcy petition filed against client in the United States Bankruptcy Court, and that petition is not dismissed within lifteen (15) days of its filing. Any suspension of services made pursuant to the provisions of this paragraph shall continue until such time as this agreement has been fully and properly assumed in accordance with the applicable provisions of the United States Bankruptcy Code and in compliance with the final order or judgment issued by the Bankruptcy Court.
- 18. This agreement shall not be construed to alter, affect or waive any lien or stop notice right which consultant may have for the performance of services pursuant to this agreement. Client agrees to separately provide to consultant the present name and address of the record owner of the property on which the project is to be located. Client also agrees to separately provide consultant with the name and address of any and all lenders who would loan money on the project and who are entitled to receive a preliminary notice.
- 19. If payment for consultant's services is to be made on behalf of client by a third-party lender, client agrees that consultant shall not be required to indemnily the third-party lender, in the form of an endorsement or otherwise, as a condition of receiving payment for services.
- 20. If client fails to pay consultant within thirty (30) days after invoices are rendered, client agrees consultant shall have the right to consider such default in payment a material breach of this entire agreement, and, upon written notice, the duties, obligations, and responsibilities of consultant under this agreement are terminated. In such event, client shall promptly pay consultant for all fees, charges, and services provided by consultant.
- 21. All fees and other charges will be billed monthly and shall be due at the time of billing unless otherwise specified in this agreement.
- 22. Client agrees that the periodic billings from consultant to client are correct, conclusive, and binding on client unless client, within ten (10) days from the date of receipt of such billing, notifies consultant in writing of alleged inaccuracies, discrepancies, or errors in the billing.
- 23. Client agrees to pay a monthly late payment charge, which will be the lesser of, one and one-half percent (1.1/2%) per month or a monthly charge not to exceed the maximum legal rate, which will be applied to any unpaid balance commencing thirty (30) days after the date of the original billing.
- 24. If consultant, pursuant to this agreement, produces plans, specifications, or other documents and/or performs field work, and such plans, specifications, and other documents and/or field work are required by one or more governmental agency, and one or more such governmental agency changes its ordinances, policies, procedures or requirements after the date of this agreement, any additional office or field work thereby required shall be paid for by client as extra
- 25. In the event of any increase of costs due to the granting of wage increases and/or other employee benefits to field or office employees due to the terms of any labor agreement, or rise in the cost of living, during the lifetime of this agreement, such percentage increase shall be applied to all remaining compensation.
- 26. Client agrees that if client requests services not specified pursuant to the scope of services description within this agreement, client agrees to pay for all such additional services as extra work.
- 27. In the event that any staking is destroyed, damaged or disturbed by an act of God or parties other than consultant, the cost of restaking shall be paid for by client as extra work. Client acknowledges that the design work performed pursuant to this agreement is based upon field and other conditions existing at the time of preparation of consultant's work. Client further acknowledges that field and other conditions may change by the time project construction occurs and clarification, adjustments, modifications and other changes may be necessary to reflect changed field or other conditions. If the scope of services pursuant to this agreement does not include construction staking services by consultant for this project, or if subsequent to this agreement client retains other persons or entities to provide such services, client acknowledges that such services will be per-

formed by others and that client will defend, indemnify, and hold consultant harmless from any and all claims arising from or resulting from the performance of such services by other persons or entities except claims caused by the sole negligence or willful misconduct of consultant; and from any and all claims arising from or resulting from clarifications, adjustments, modifications or other changes which may be necessary to reflect changed field or other conditions except claims caused by the sole negligence or willful misconduct of consultant.

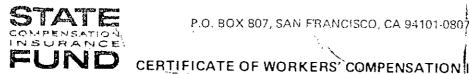

- 28. Client shall pay the costs of checking and inspection fees, zoning and annexation application fees, assessment fees, soils engineering fees, soils testing fees, aerial topography fees, and all other fees, permits, bond premiums, title company charges, blueprints and reproductions, and all other charges not specifically covered by the terms of this agreement.
- 29. In the event all or any portion of the work prepared or partially prepared by consultant be suspended, abandoned, or terminated, client shall pay consultant for all fees, charges, and services provided for the project, not to exceed any contract limit specified herein. Client acknowledges if the project work is suspended and restarts, there will be additional charges due to suspension of the work which shall be paid for by client as extra work.
- 30. Client acknowledges and agrees that if consultant provides surveying services, which services require the filing of a Record of Survey in accordance with Business and Professions Code Section 8762, that all of the costs of preparation, examination and filing for the Record of Survey will be paid by client as extra work in accordance with Paragraph 26.
- 31. Consultant is not responsible for delay caused by activities or factors beyond consultant's reasonable control, including but not limited to, delays by reason of strikes, lockouts, work slowdowns or stoppages, accidents, acts of God, failure of client to furnish timely information or approve or disapprove consultant's work promptly, faulty performance by client or other contractors or governmental agencies. When such delays beyond consultant's reasonable control occur, client agrees consultant is not responsible in damages nor shall consultant be deemed to be in default of this agreement.
- 32. Consultant shall not be liable for damages resulting from the actions or inactions of governmental agencies including, but not limited to, permit processing, environmental impact reports, dedications, general plans and amendments thereto, zoning matters, annexations or consolidations, use or conditional use permits, project or plan approvals, and building permits.
- 33. In the event that client institutes a suit against consultant, either directly by complaint or by way of cross-complaint, including a cross-complaint for indemnity, for alleged negligence, error, omission, or other failure to perform, and if client fails to obtain a judgment in client's favor, the lawsuit is dismissed, or if judgment is rendered for consultant, client agrees to pay consultant all costs of defense, including attorneys' fees, expert witness fees, court costs, and any and all other expenses of defense. Client agrees such payments shall be made immediately following dismissal of the case or upon entry of judgment.
- 34. If any action at law or equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to reasonable attorneys' fees, which fees may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which he may be entitled.
- 35. Client agrees that in the event client institutes litigation to enforce or interpret the provisions of this agreement, such litigation is to be brought and adjudicated in the appropriate court in the county in which consultant's principal place of business is located, and client waives the right to bring, try or remove such litigation to any other county or judicial district.
- 36. Consultant makes no representation concerning the estimated quantities and cost figures made in connection with maps, plans, specifications, or drawings other than that all such figures are estimates only and consultant shall not be responsible for fluctuations in cost factors.
- 37. Client acknowledges that consultant is not responsible for the performance of work by third parties including, but not limited to, the construction contractor and its subcontractors.
- 38. Consultant makes no warranty, either expressed or implied, as to his findings, recommendations, plans, specifications, or professional advice except that the work was performed pursuant to generally accepted standards of practice in effect at the time of performance.
- 39. Estimates of areas provided under this agreement are not to be considered precise unless consultant specifically agrees to provide the precise determination of such areas.
- 40. In the event the client agrees to, permits or authorizes changes in the plans, specifications, reports and documents prepared by consultant pursuant to this agreement, which changes are not consented to in writing by consultant, client acknowledges that the changes and their effects are not the responsibility of consultant and client agrees to release consultant from all liability arising from the

use of such changes and further agrees to defend, indemnify and hold harmless consultant, its officers, directors, principals, agents and employees from and against all claims, demands, damages or costs arising from the changes and their effects.

- 41. Client acknowledges that the design work performed pursuant to this agreement is based upon field and other conditions existing at the time of preparation of consultant's work. Client further acknowledges that field and other conditions may change by the time project construction occurs and clarification, adjustments, modifications, discrepancies or other changes may be necessary to reflect changed field or other conditions. If the scope of services pursuant to this agreement does not include on-site construction review, construction management, supervision of construction of engineering structures, or other construction supervision for this project, or if subsequent to this agreement client retains other persons or entities to provide such services, client acknowledges that such services will be performed by others and client will defend, indemnify and hold consultant harmless from any and all claims arising from or resulting from the performance of such services by other persons or entities except claims caused by the sole negligence or willful misconduct of consultant; and from any and all claims arising from or resulting from clarifications, adjustments, modifications, discrepancies or other changes necessary to reflect changed field or other conditions, except claims caused by the sole negligence or willful misconduct of consultant.
- 42. Client agrees that in accordance with generally accepted construction practices, construction contractor will be required to assume sole and complete responsibility for job site conditions during the course of construction of the project, including safety of all persons and property; that this requirement shall be made to apply continuously and not be limited to normal working hours, and client further agrees to defend, indemnify and hold consultant harmless from any and all liability, real or alleged, in connection with the performance of work on this project, excepting liability arising from the sole negligence of consultant.
- 43. In the event client discovers or becomes aware of changed field or other conditions which necessitate clarification, adjustments, modifications or other changes during the construction phase of the project, client agrees to notify consultant and engage consultant to prepare the necessary clarifications, adjustments, modifications or other changes to consultant's work before construction activities commence or further activity proceeds. Further, client agrees to have a provision in its construction contracts for the project which requires the contractor to notify client of any changed field or other conditions so that client may in turn notify consultant pursuant to the provisions of this paragraph.
- 44. Client agrees to limit consultant's liability to client and to all contractors and subcontractors on the project, due to professional negligence, acts, errors or omissions of consultant, to the sum of \$50,000 or consultant's fees, whichever is greater.
- 45. Client agrees to purchase and maintain, during the course of construction, builder's risk "all risk" insurance which will name consultant as an additional insured as their interest may appear.
- 46. Consultant hereby states and client hereby acknowledges that consultant has no professional liability insurance for claims arising out of the performance of or failure to perform professional services, including, but not limited to the preparation of reports, designs, drawings and specifications, related to the investigation, detection, abatement, replacement, use or specification, or removal of products, materials or processes containing asbestos, asbestos cement pipe, and/or hazardous waste materials. Accordingly, the client hereby agrees to bring no claim for negligence, breach of contract, indemnity or otherwise against the consultant, its principals, employees, and agents if such claim, in any way, would involve the consultant's services for the investigation, detection, abatement, replacement, use or specification, or removal of products. materials or processes containing asbestos, asbestos cement pipe, and/or hazardous waste materials. Client further agrees to defend, indemnity and hold harmless consultant, its officers, directors, principals, employees and agents from any aspestos and/or hazardous waste material related claims that may be brought by third parties as a result of the services provided by the consultant pursuant to this agreement except claims caused by the sole negligence or willful misconduct of the consultant.
- 47. Client acknowledges that consultant's scope of services for this project do not include any work related in any way to asbestos and/or hazardous waste. Should consultant or any other party encounter such materials on the job site, or should it in any other way become known that such materials are present or may be present on the job site or any adjacent or nearby areas which may affect consultant's work, consultant may, at its option, terminate work on the project until such time as client retains a specialist contractor to abate and/or remove the asbestos and/or hazardous waste materials and warrant that the job site is free from any hazard which may result from the existence of such materials.

# ADDITIONAL INSURED - OWNERS, LESSEES OR OR CONTRACTORS- SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person or Organization:

PER CERTIFICATE ATTACHED

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

- A. Section II Who Is An Insured is amended to include as an insured the person or organization shown in the Schedule, but only with respect to liability arising out of your ongoing operations performed for that insured.
- B. With respect to the insurance afforded to these additional insureds, the following exclusion is added:

#### 1. Exclusions

This insurance does not apply to "bodily injury" or "property damage" occurring after:

- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project, (other than service, maintenance or repairs) to be performed by or on behalf of the Additional insured(s) at the site of the covered operations has been completed; or
- (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as part of the same project.

# ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

#### SCHEDULE

Name of Additional Insured Person(s) or Organization(s):

As per Certificate(s) on file with the company which specify that the Certificate Holder be named as an additional insured.

#### Location(s) of Covered Operations

As per contract(s) with the Certificate Holder indicated.

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

- A. Section II Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
  - 1. your acts or omissions; or
  - 2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

- 1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- covered operations has been completed; or

  2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

#### SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location(s) Of Covered Operations				
Any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as additional insured on your policy. Such person or organization is an additional insured only with respect to liability arising out of your ongoing operations performed for that insured.	All locations at which you are performing operations for any person or organization with whom or with which you have agreed in writing in a contract or agreement that such person(s) or organization(s) shall be included as an additional insured on your policy.				

- A. Section II Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
  - 1. Your acts or omissions; or
  - The acts or omissions of those acting on your behalf:

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above. B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

- All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

# WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

#### SCHEDULE

Name Of Person Or Organization: Where required by written contract or written agreement.				
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.				

The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us of Section IV – Conditions:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization shown in the Schedule above.

Re: Annual Performance Review

Dear Mr. Heap:

In accordance with Section 3.2 of the franchise agreement with EDCO Waste & Recycling Services, the City is required to conduct a year-end review of the quality of service provided by EDCO as the City's exclusive waste and recycling hauler. Based on a finding of satisfactory performance, the City Manager is authorized to grant a one-year extension to the current term of your contract.

We are pleased to report that the City continues to be very satisfied with your company's services. Your customer service, sales, and operations staff are always very courteous and provide prompt and exceptional service to our residents, businesses, and City staff.

Just like in previous years, EDCO has also assisted the City with disposal and recycling for many City-initiated projects this year. I know our residents continue to welcome your additional free services, including the very popular e-waste and shredding event, as well as your Christmas tree recycling drop-off.

We were excited to celebrate EDCO's grand opening in June of its newest recycling facility, Escondido Resource Recovery (ERR). This state-of-the-art advanced technology facility is one of the newest in the country, aiming to lead the company and the region to zero waste.

We look forward to continuing our joint efforts to increase the number of residents and businesses that are recycling to ensure our ongoing compliance with the state's mandatory waste diversion requirements. Your help in implementing the state's new organics recycling law is also appreciated.

Based on the above findings and pursuant to City Council Resolution No. 88-2785, I am authorizing a one-year extension of EDCO Waste and Recycling Services' contract to March 1, 2023.

Congratulations on the one-year extension. If you would like to discuss this matter further, please feel free to call me at (760) 744-1050.

Sincerely,

Jack Griffin City Manager
